

# Matthew Clegg - SilverStripe Developer

[m@cle.gg](mailto:m@cle.gg)

+44 (0) 7478 575533

Over **15** years of industry experience, developing with client, server and infrastructure technologies. Skilled in automation cloud orchestration tools (Kubernetes, Terraform, Helm, Ansible etc), server-side technologies (Python, PHP, Ruby) & client front-end languages (HTML, CSS and JavaScript). I have experience creating and hosting websites using complex math & basic logic for most common content management systems. My previous work experience includes projects with numerous digital agencies, startups and corporations.

---

## CRM Developer

*Farringdon, London*

**2014 – 2015**

Developed internal CRM(s) for various back office tasks including registration of users for conducting usability tests. Tasks included; application code, database design, importing from existing .xlsx solution, creating export/reporting functions, integration with Mandrill API for sending email campaigns and automating deployments to Windows host machines.
